“ Cindy will be missed so much by so many. My friendship with Cindy started over 20 years ago. Cindy Lou - what a character. No one like her. She had a heart of gold and would do anything she could to help anyone. I hope she knows how much we loved and cared about her and how truly missed she will be. Until we meet again my friend; Cindy Dupuis.
Love you, Karen Baker

“ Cindy was in my life for about 30 yrs. She and I laughed many times uncontrollably until we'd cry and lose our breaths! She was one of my best friends that was there for me in the hardest stressful times in my life! Always there when we needed each other! Her family became my family as well as my family became hers. She also taught me no matter how bad things are, just dust yourself off, grab life by the horns and keep going forward. Our favorite saying was "This too shall pass"! Together we walked many paths! I'm now dusting myself off and walking without her, but she'll ALWAYS be with me! In loving memory of my best friend, you'll be walking with me forever! Say hello to Cajun and Pocko! I'll be with you all someday! With a big heart and lots of love and memories "Love Ya Cin"!! Evette Boudreaux

“ Cindy, you were the dearest, sweetest, and most fun loving childhood friend any person could have. I am so happy that we got to reconnect briefly as adults a couple of years ago. You were always the life of the party and I will never forget our childhood memories. May you rest in peace! And may God comfort your family during this difficult time!

“ Dear Cheryl,
Our deepest sympathy for the loss of your sweet sister, Cindy. My parents (Albert and Anna Lou Champagne) had so many fond memories of your parents, you and Cindy when living in our neighborhood in St. Martinville. My mom said what a joy it was to have had all of you as part of our lives. Cindy and your family are in our thoughts and prayers.

Love, Charlotte Huval
