

Daniel Evan Yost, III "DOC"

September 29, 1945 - January 16, 2020

Doc passed away unexpectedly on January 16th at the age of 74.

He was a lifelong resident of Lafayette and walked many miles in the city in 50 years, as he never had a Drivers License.

He was preceded in death by his parents and sister; Jacqueline Turner and beloved niece; Sharon Diane Turner.

He was a proud United States Navy Vietnam Veteran. He graduated from USL in 1968 and went on to study for his Doctorate in Chemistry. He always said that he was cheated out of it by one professor who wouldn't accept his Dissertation Defense. He had everyone call him Doc anyway. He was in the bar and hotel business for many years, then spent many more working at the Lafayette Library part time. He loved it there.

Uncle Danny was one of the smartest people we knew. He was funny and unassuming. He lived a simple life.

We want to thank everyone at the Evangeline Apartments for their friendship with him and especially Michelle for befriending him and looking out for him. Thanks also to The Green Room for years of fun, football, and trivia.

Special thanks to Jan and the gang at Rusty's. You gave him a decade of companionship, fun, food, and beer! In return you got to hear all of his stories!

We'll miss his stories!!

“ I also had the honor of working with "Mr. Daniel" for several years at the Lafayette Public Library. He was a very brilliant man. He was also very kind and patient so far as I could tell. "Mr. Daniel" may you rest in peace.
