“ I knew Debbie when I was a teenager and though I haven't had the opportunity to see her since then, I remember how awesome she was! She trusted me to babysit for her kids, Shawn, Joseph and Jesse, which I really enjoyed. She was always so kind to me and will be remembered as a spunky, adventurous young lady I had the pleasure of knowing! I remember one day, especially, when she was learning to ride a motorcycle and looked so happy doing so! I watched her practice on our street that afternoon and that's one memory I've always had of her! My deepest condolences to her entire family, especially her children. Love, Amanda Roszell Lee and Family
