“ Our parents took my sister and I to Borden's since we were young. I remember her serving us many times. We used to get the banana splits in a container that looked just like a boat. Later we would reuse those containers in the water as a toy boat. She was always such a sweet lady. She was a dedicated worker and always willing to get whatever you needed. I know you all are very proud of what she accomplished. May her soul rest in peace. I know she must hear those words from God, " well done my good and faithful servant."

“ She taught my wife how to make a malt, my favorite, we lived in Baton Rouge, had a farm in Meaux and when visiting we always stopped with children at Borden's. Lovely Lady, kindness poured out of her.

“ I had the pleasure of working with Mrs. Ella at Borden's. She was truly a wonderful woman, who was loved by so many! She taught me so much while I was there, and I was very fond of her. Every time I stopped by for a treat I was hoping to see her, but it was only a couple of times that I was able to see her again. It was so great to visit with her when she was there. I feel blessed to have known and worked with her! To Yvonne, and the rest of the family....you are all in my prayers! May she rest in peace!

Sincerely,

“ Sandy, Casey and the Meaux family; I am sorry to hear of Ms. Ella's passing. What a wonderful lady. We first met Ms. Ella when my dad first went to work at Bordens. Dad would let us get a double cones and Ms. Ella and Ms. Agnes I believe was her name would heap the ice cream on our cones. One of the last times I remember seeing her was at the Borden plant about 10 or 11 years ago. Still going strong as ever. I know you will miss the terribly. Michele Guidry
