I was certainly blessed to have been able to call her my friend. She always saw the best in people and helped them to realize their value. She will be missed by so many, a true testament of a life well lived. May God hold her close and watch over all of her loved ones during these most difficult days.

“ Gertrude was a very dear friend of my late wife, Judy. They worked together in banking for many years. Their relationship extended far beyond professional - they loved each other. On the day of Mrs. Melancon's funeral, she even reminded me that that day was Judy's birthday. There is no doubt in my mind of where she is today!

Most Sincerely,
