“ Holly always had a smile around the halls of Hanson. Such a beautiful, sweet girl. I haven't seen Holly since high school but I know she stayed that same sweet girl. I am so sorry for your loss.

“ I have only known Holly for a couple of years, but I've come so accustomed to seeing her loving face monthly at our book clubs. She always had the best outlook on any situation and never left me without a smile on my face. You will truly be missed by tons of hearts you have touched. I hope you are flying high and reading every book heaven has to offer. Rest in peace.

“ Holly had the biggest heart I've ever seen! She always had a smile. I ran into her as I was starting my battle with cancer and she was so supportive, in spite of having a heart monitor on each hip.

“ Patti and I knew Holly from very young age. Many summers spent tanning on the levee. I had spoken with her over the years but not visited since she was ill. My heart misses her so much. Love you lady. Marsha
