“ I worked with Laura at The Leader Newspaper in Houston for many years. She became one of my best friends. Everyone at The Leader loved her. She was a practical joker and dragged me into many of her escapades. I've talked to several of our co-workers in the past few days and they all had the best stories about Laura. The thing we remember the most is that infectious laugh of hers. She was great with animals and kids. She and my son would color Easter eggs every Easter and then he and her dog Casey would hunt for the eggs. It didn't surprise me that when Laura moved back to Louisiana that she would go into a profession to help people. She was a wonderful person and I'm going to miss her.

“ Laura, was a truly sweet lady and a great neighbor to my daughter and son-in-law, Melissa and Randy Reynolds. She and her mother spoiled my grandkids with their Easter treats she will be missed very much by the Reynolds family.

“ I didn't know Laura but I knew her brother, Kelly, and sister-in-law, Marsha, and their children. If she was anything like them, the world has lost a beautiful soul. May you find peace in reflecting on her life which was lived for others, something we should all aspire to do. Carl & Sylvia Conques

“ Traveling to Haskell, TX with Laura, her mom and brother Kelly to visit her grandmother, Mimi during several summers. Mimi would take us shopping and bring us breakfast in bed. Late one night, Mimi drove us to someone's house and we wrapped it (toilet paper and paper towels)! Apparently, that had never been done in Haskell because there was talk all over town the next day that the family was being labeled as "sh--heads"! The three of us laughed all day!! I've driven through Haskell a few times in the past few years and always remember those days! So many memories with Laura!!
