Glen and I were so sorry to hear about the loss of your Mother. She was always so upbeat. We know your family will miss her terribly. May all your cherished memories carry all of you through this difficult time. We deeply regret that we were not able to attend her services and visit with you in person. Hope Keane and children are doing well.

“ To know Peggy was to love Peggy. That girl did not have a mean bone in her body or a bad word to say about anyone (except maybe her husband when she played tennis with him). She had such a wonderful sense of humor. What a blessing she was to everyone who knew her and what a lost for this world.

Our sincere condolences to Richard and all of Peggy's family,

“ Peggy was such a beautiful soul! She was my first tennis partner about 25 years ago. We played in several Beaver Park summer leagues and she shared her knowledge of doubles with me. I loved playing with her! It didn't matter how long since our last visit, she would light up and make me feel like the only person around. I will miss that beaming smile and positive attitude. Her light was so bright; it will shine forever!!

My sincere condolences to all of her loved ones,
Monique Gary
