“ She will always and forever be the strongest woman I have ever known. A piece of my heart is with her. Everything she has taught me is priceless and I'm glad there is no one who could ever take that from me. I love you more than you could ever imagine, Meemow. Thank you for being my source of strength and wisdom. I can't wait until I see you again. I love you.

“ To each of Terilla's family members I send my prayers of comfort and celebration. Comfort because we morn a Wife, a Mother, a Sister, a Granmother, an Aunt, a Friend. Her character and love was God's work and she knew it. She never failed to give God all the glory. She will no longer sit beside us. She will no longer chat on the phone. No longer can we look to her for a firm and honest answer always ending it with God's word in a prayer. Celebrate, because she is home, home with God. She shall live on in our hearts and we will carry her strength and tenacity to know the Lord. I only have a few favorite places and one of them is in Woodley and Terilla's home; sitting at the table with something to eat from her garden - we would hold hands, pray, eat and chat about everything. There is nothing like those times. Mourn, but morn together. Celebrate and celebrate in grand style for she is now home. Love to each of you. Missy Kruger - a friend.

“ I really enjoyed my little visits with Terella. As years passes I feel that we became friends. My sympathy goes out to Woodley, and the children of Terella. I will truly miss our little talks and updates of the old neighborhood. God bless.

“ I knew Terilla when we lived in Lafayette and were members at Trinity Bible Church. She helped me grow in my relationship with Christ and was always there to talk, listen and mentor. She had a loving heart and reached out to our son Kevin who was not always on the right track. Once again she was there to help him, giving him odd jobs to do at her house and plant the seed of Christ to help him grow. She will be missed, I will remember her fondly.
